Membership Report for LAA 2023-24 Season

Our 2023-24 LAA year was a very active one with membership.

-It was a year where we saw an increase in our yearly membership fee from \$25 to \$50 . This increase was for our new stands and lights which were a much needed and a very successful addition to our club.

-It was a year where we invited 35 new members to join the LAA family and reduced the number of people on our LAA waiting list to zero!! The waiting list has since soared to 27 prospective members.

-Sadly it was a year where we saw the passing of 4 of our LAA Members. Some honorary members (Persis Willis, Jack Harris), some active members (Jarmila Skubnik, Ruthanne McLagan). Many friendships formed through the love of art. They will be missed!

-Currently we have 8 Honorary members and 126 active members for a total membership of 134. Over the summer months I will be looking to add 4 new members to keep our active members at approximately 130.

Kindest Regards,

Mary Lou Ross

Membership Convenor
