Att: LAA Members

Re: Blackfriars Bash

I recently received an invitation from Michele of the Gallery Painting Group inviting interested members of LAA to a special event with the Blackfriars Neighborhood called the "Blackfriars Bash"

On Saturday, August 31st, a day prior to the event, London artists are invited to take part in creating/painting in selected areas of the neighbourhood.

Artists will meet at the bridge at 9:30 am that morning for a photo, then set up to paint in the neighbourhood. Artists will meet again at noon for another photo.

On Sunday, September 1st, the bridge will be closed to traffic and those Artists are invited to show their work in the pop up gallery set up on the bridge. All proceeds to go to the artists.

If any members are interested, please gather on the 31st at 9:30am at Blackfriars Bridge.
